School Gets State Aid For Driver Ed.

Ray Page, State Superintendent of Public Instruction, has released figures on the amount of funds due each school district which participated in the 1962-63 driver education training program.

625 schools in Illinois participated in the program.

The schools are reimbursed on the basis of the number of students completing the course. Antioch Community High School will receive \$8,336.00 in state funds. In comparison, Round Lake received \$4,272.00; Fox Lake \$5,320.00; Zion \$7,536 and Grayslake \$7,608.

Insurance statistics show that pupils who have taken driver education have appreciably fewer accidents than drivers in the same age group who have not taken the course. Many insurance companies will insure graduates of driver education training at a lower insurance rate than other young drivers.

More Antioch pupils take the driver ed. course than in most schools of like size, as the higher figure of state reimbursement indicates. The school has used a car donated by Lyons-Ryan Ford. Now with the addition of the use of a car donated by Terrell Chevy-Olds, the program will have more flexibility and more pupils can be handled, according to Warren Polley, assistant superintendent.

The enlarged summer program of driver training will make it possible for a great many pupils to take the course who did not previously because of their birth date. The school tries to take pupils for the course who will be of eligible age for a driver license either before they complete the course or shortly thereafter.

New Business Opens Friday

A new dry-cleaning establishment will open in Antioch tomorrow (Friday), at 920 Main St., the store formerly occupied by a retail paint business.

Rainbow Cleaners will be operated by Gene Rockow of Antioch. In addition to the service at the Main St. store, a pick-up and delivery route will be maintained by Mr. Rockow.

Sanitone service will be provided by the new dry-cleaning establishment. A Rainbow Cleaners has operated in McHenry for three years. The dry-cleaning and shirt laundry service will be supplied by the McHenry plant. Three-day service will be provided for both dry-cleaning and shirts, according to Mr. Rockow.

Sanitone service, according to Mr. Rockow, is recommended by leading clothing manufacturers.

Before opening the Rainbow Cleaners, Gene Rockow operated the Toffee Korn Factory in McHenry. Before that, he had worked at the Willowdale Dairy for 17 years.

Driver License Action

The office of the secretary of State has announced the suspension of the driver's license of Frank W. Muszynski, Rt. 2, Box 5, Antioch, following three traffic violations.

Mental Health Society To Make Awards

The Lake County Mental Health Society will for the fourth year give an annual mental health award to a Lake County humanitarian. The award will be presented by the society's president, Roy Clemence, at its annual dinner meeting on Wednesday, Jan. 29, at the Downey Veteran's Hospital.

Nominations for recipient of the award are to be mailed to Mrs. Harold Allen, in care of the society, 32 N. Utica St., Waukegan this week. Candidates may be nominated by members of the society or any other person interested in mental health in Lake County.

The nominee this year will have the general qualification of humanitarian. He or she should be a mentally healthy person, free from prejudices and suspicions and have a desire and the ability to assist individuals directly or refer them to appropriate sources for help.

The candidate may be a church, civic, club or business leader, an employer, a teacher, a parent or "just a neighbor who lives across the street." He may not even be aware he has helped in the mental health field but has sympathy and understanding of the needs and problems of others. Mental health may be done at home, at business or on the street. The important qualification is that the nominee understands the mental health needs and is doing something about them.

Other members of the awards committee are Max Lidschin and Mrs. G. Gorgan, both board members; Francis Heinlein, chief of recreation at Downey; and Miss Gladys V. Bolling, supervisory clinical social worker on the Downey staff and a member of the society's board of directors.

Tickets for the annual dinner and meeting which is scheduled for 6:30 p.m. on Wednesday, Jan. 29, may be obtained at the society's office in Waukegan or from Mrs. George Chonis, JU 7-0043; Mrs. George Howland BA 3-1421 or Mrs. William C. Petty, 395-0476.

Students Win VFW Awards

Three Antioch High School students will receive awards next Sunday from the Antioch and Lake Villa V.F.W. posts for essays on Citizenship.

The essays of the three winners were selected from about forty submitted by high school students. Jeff Ryan took first place, Stan Sutherland second place and Lloyd Pedersen third place. Title of the essays was "The Challenge of Citizenship."

The three boys will receive their awards during a ceremony at 2 p.m. on Sunday, January 19, at the Lake Villa post headquarters. District Officers Lou Nehring, Senior vice commander of the Fifth District, James Alsbrook, chairman of the Voice of Democracy contest for the District, and John Moorehouse, Commander of the Fifth District, will make the awards. Superintendent Albert Dittman and Assistant superintendent Warren Polley will also be present.

The VFW posts were assisted in the contest by members of the high school staff—Mr. Sullivan, Mrs. Tullmello, Mr. McLean and Mr. Corrigan. Mr. Dittman helped to organize the contest and judge the entries. Over-all chairman for the contest were Robert McLellan, a member of the Lake Villa VFW, and Fred Gras, a member of the Antioch post.

Tavern Owners Elect New Officers

Casimir (Kl) Serzynski, of Kly's Tap, Wadsworth Road and Lewis Ave., was elected president of the Tavern-Owners Assn. of Lake County in a meeting of the association at McCormick's Lounge, Bluff Lake, last week.

Serzynski, formerly treasurer of the association, was elected after a close three-way race. Re-elected in contested races were Gil McCormick, vice president; sergeant-at-arms Dick Raske of Napoli Lounge, Round Lake Beach; Al Skokke, North Chicago; out-going president, was elected secretary to succeed Al (Bud) Beyer, of Gurnee, who moved into the treasurer's post.

New Officers Elected For Lions Club

The Antioch Lions Club elected a new slate of officers for the coming year at their Monday night meeting. Thomas Haviland was chosen president of the organization, replacing Leonard Roblin, past president.

Other officers elected were Maynard Schneider, 1st vice president; William Seemann, 2nd vice president; Dan Dugenske, 3rd vice president; James Fields, treasurer; Ward Lear, secretary; James Olson, Tail Twister, and William Yucus, Lion Tamer.

Preston Reckers and Dr. Fred Bobzein were elected to one-year terms on the Board of Directors; Dr. Richard Ripley and Raymond Jensen were elected to two year terms.

Five new members were elected to the swimming pool board—Walter Shepard, Dr. Ed Warner and Jim Carlson, replacing Dr. George Jensen, Thomas Haviland and Leonard Roblin. Dr. Jensen has served on the swimming pool board since the pool was built—nine years.

Ladies Night has been set for March 17 at Lorenz's Smart Country House, to be held in the new addition, the Ladies Night committee reported.

Dr. Charles Solar reported that the District 1F Bowling Tournament would be next Sunday. A number of teams from the Antioch Lions Club will compete.

Leo Keisler, president of the Community Service Corporation, gave the annual report of the swimming pool. Basically, he reported, it was a good year for the pool, with higher income than previously, but additional outlay consumed the surplus.

Voters Will Decide Junior College Fate This Saturday

Voters of Lake County will decide Saturday, January 18, whether or not a Junior College shall be built in this county.

The polls will open at noon in each of the 57 precincts which have been set up by Dr. Petty. Voting will take place at the following polling places: Precinct 1—Channel Lake School—all of Channel Lake School District No. 35, and all of that part of Antioch Community Consolidated School District No. 34 west of the corporate limits of the village of Antioch.

Precinct No. 2—Grass Lake School—all of Lotus School District No. 10 within Lake County and all of Grass Lake School District No. 36.

Precinct No. 3—Antioch Community High School—all of the village of Antioch.

Precinct No. 4—Oakland School District No. 33 west of Illinois Route 83 and all of Antioch Community Consolidated School District No. 34 lying south of the village of Antioch and west of Route 83, and all of Lake Villa School District No. 41 north of Grand Ave. extended and west of Route 83, outside any incorporated city or village.

Precinct No. 6—All of Lake Villa Township south of Grand Ave., except that part of Lake Villa in the Gaylin School District No. 37, lying outside any incorporated city or village—Venetian Village Civic Assoc. Hall, Capillo Drive.

Precinct No. 7—Lake Villa Elementary School—all of the village of Lake Villa.

Precinct No. 8—B. J. Hooper School—all of the Village of Lindenhurst.

Precinct No. 9—All of the village of Mill Creek, and all of the village of Wadsworth Newport Fire Station, Wadsworth.

Voters must be registered to vote on the Junior College proposition.

The referendum will ask voters to vote on the proposition to establish a maximum tax rate of 20 cents per \$100 of assessed valuation for the purpose of building and maintaining a junior college in Lake County.

The Lake County Community College Association financed a study by Booz, Allen & Hamilton, Inc., Management Consultants, as to the feasibility and desirability of the establishment of a junior college in Lake County. The firm's study concluded that a junior college would be both practical and desirable.

The junior college would offer a two-year college course in a variety of subjects. Some courses would prepare the high school graduate for additional study in a four-year college. Other courses would be complete two year courses for the student who did not desire a college degree. In addition, adults could take one or more courses, either daytime or evening.

The study recommended that the college be situated near the geographical center of the County, near Grayslake. No student would be more than fifteen miles from the college.

The preliminary study estimated the cost of construction of the college at \$6,500,000. Bond and interest payments would be about \$353,000 yearly.

Operating expense of the college is estimated at about \$1,300,000 the first year, to about \$4,500,000 by 1975. The operating expense will be shared by the student, the county and the state.

The Lake County Community College Assoc. is composed of school principals, industry heads, and other interested persons. Members of the Association have appeared at many PTA and club meetings in the last few months, explaining the junior college proposition.

Teachers at Antioch Community High School announced Tuesday their approval of the Junior College proposition. After a meeting of the Antioch High School Teachers' Association on Tuesday afternoon, Mr. Lucien McLean, president of the Teacher's Association, said, "We wish to go on record as favoring the Junior College."

Until Tuesday, Antioch High School teachers had remained silent on the issue because of earlier action of the High School board, which did not join other high school districts, in supporting the survey and promotion of the Junior College proposition.

Leader Dogs Guide Blind

Mrs. Verna K. Salmons of 918 W. Montrose Avenue, Chicago and Mr. Frank E. Kennedy, Jr., of Antioch, Ill., arrived at O'Hare Airport via American Airlines from Detroit last week with their new Leader guide dogs.

Mrs. Salmons and Mr. Kennedy have just completed a four week training period at Leader Dog School for the Blind at Rochester, Michigan.

Providing the blind with Leader Dogs at no cost to them is part of the Illinois Lions Clubs Blind Aid Program, realized through receipt from Candy Day for the Blind held each year in October.

To Speak on Mentally Handicapped

Members and invited guests will attend a special meeting of the Lake County Chapter of the Illinois Council for Exceptional Children at 7:30 p.m. on Thursday (today) at Tangley Oaks Publishing Co.

Vernon F. Frazee, State Director of Special Education, will be the featured speaker.

Edwin Hill, teacher of Educable Mentally Handicapped for Antioch Grade School District, and Jack Bodine, Antioch High School teacher of Mentally Handicapped children, will attend the meeting.

The local high school and several of the grade schools belong to the Special Education District of Lake County.

Adult Evening School Starts At A.C.H.S.

Courses will meet one night each week, for two hours for ten weeks, beginning the week of January 27 from 7 to 9 p.m., except shorthand, first aid and medical self-help.

The minimum enrollment per class is ten persons. Registration fees will be refunded if there is not a large enough enrollment in one subject.

Courses given will be Developmental reading, \$10, meeting Wednesday; beginning and intermediate typing, Tuesdays, \$10; Gregg shorthand, Mondays and Wednesdays, \$15; Office machines, Mondays, \$10; First Aid, Tuesdays, \$1.00; Medical Self-Help, Tuesdays, \$1.00; International Relations, Tuesdays, \$10; conversational French, Wednesdays, \$10; beginning sewing, Mondays, \$10; intermediate sewing, Mondays, \$10; millinery, first class Monday, Jan. 27.

Legislators Wrestle With Election-At-Large Problems

Despite wide-ranging proposals from both sides of the aisle in the House of Representatives, progress is being made toward an agreement on the re-apportionment problems, according to House Leader William Murphy. "Perhaps the most promising sign," Murphy said, "is the willingness of the legislators to discuss the many problems on a non-partisan basis and to consider each proposal on its merits as a solution to an intolerable situation."

As an example of the willingness of each party to seek an equitable solution, Murphy pointed to tentative acceptance by Democratic House leaders of a proposal that State Representative ballots be counted in centralized counting locations, rather than in individual precincts. Republicans contend that centralized counting will be faster, more efficient and less expensive.

"At the beginning of the session," Representative Murphy said, "the Democrats were adamant in insisting that counting take place in individual precincts, but now they are willing to discuss our suggestion, providing adequate safeguards for integrity of ballots are assured."

As the Legislature moved into the second week of the special session called by Gov. Kerner, there was agreement that a State Representative primary should be avoided if possible, with candidates for the 177 House seats to be selected at party conventions. "The method of selecting delegates and the number of delegates for such a convention remain major stumbling blocks," Murphy said. "There is general agreement that each section of the state must be represented and, as a practical matter, any legislation adopted will have to provide a reasonable balance between the two parties."

The number of candidates each party should have on the General Election ballot is also a subject of widespread discussion, with proposals ranging from the full 177 House membership to the present Republican strength of 90 seats.

Speaker of the House John Lewis has indicated a preference for 118, or two-thirds, but Murphy and other Republican representatives favor a smaller number as a means of safeguarding Republican control of the House.

"We are holding numerous party conferences to give each proposal a full hearing so that when we finally submit a bill it will have full backing of the Republican membership in the House," Murphy said.

The legislature is scheduled to adjourn Thursday and return on Sunday to continue deliberations on the election problems.

LEONARD ROBLIN, president of the Antioch Lions Club, turns over the gavel to the new president, Thomas Haviland.

Organize For Heart Fund Campaign

Mrs. Edward C. Jacobs, 416 Hardin St., Antioch, of the Heart Fund Drive, has announced the names of other Antioch officials of the Heart campaign.

Mrs. Frederick Walpole is co-chairman of the Drive; Dr. Allen Thain is physician co-chairman; Preston Reckers, treasurer; Robert Wilton, Jr., business chairman, and Mrs. Ralph Gresens, publicity chairman.

Make-Up Date For Sabin Oral Vaccine

Those who haven't received their second shot of Sabin Oral Polio vaccine—or who haven't had the first one yet—will have a chance to get it on February 2.

The vaccine will be given at the Round Lake Consolidated Grade School and at Zion-Benton High School from 11 a.m. to 3 p.m. on Sunday, February 2. Those who have had the first shot may complete the vaccine at this time; those who have not yet availed themselves of the opportunity to take the vaccine may get the first shot at this time, and get the second dose from their physician.

AMONG THE WINNERS OF 10 special merit plaques presented by the Lake County Health Department at a meeting of the Tavern Owners Assn. of Lake County were Bernice Szadowski, left, of Borneo's, Lake-Merie, and Eric and Teresa Kuchl, of Eric's Bavarian Lodge, south of Half Day. Emil Michno, second from left, of Gages Lake, is chairman of the association's Health Department Advisory Committee which participated in the presentation of the awards. The awards were presented for maintenance of high health department standards of sanitation and cleanliness.

Vote Saturday

Voters of Lake County will go to the polls this Saturday to decide whether or not a Junior College shall be established in this county. It's impossible to foretell with any degree of certainty what the result of the voting will be, but rising dissatisfaction of the populace with the continual demands on their purses in higher taxes and higher living costs give little encouragement to those who would like to see the referendum pass.

There are a good many questions as to the possible benefits of a junior college which could not be answered until the school had been in operation for several years. Certainly, the beneficial effects would be partially determined by the quality of the school board and administrators selected—in short, just how good a school would it be? How much effect would it have on the economic life of the county? Would the prospect of a near-by college, offering courses that industry could utilize for training their men and providing a reservoir of technically-trained graduates, draw more industry to the county? If it did, the resultant tax income could go a long way toward lightening the load of the individual taxpayer.

Would the increased opportunity for education lighten the relief roll of the future? Are we going to have to find a way to provide more education for our youth, or else support them?

Building programs are going on at every college as the population grows and there is more demand for higher education. Is it more practical and efficient to build ever larger state universities, or to provide a local alternative?

These are some of the questions to be considered by voters trying to decide how to vote on the establishment of a junior college. Is it worth the investment?

Vote as you will—but VOTE.

Why Spoil A Good Thing?

The skating pond down by the Antioch Pool has provided many hours of entertainment for Antioch youngsters. Civic-minded villagers even built a nice cozy shelter where the kids could rest or change their skates, and installed lights so they could skate after dark. And we're sure most of the kids were grateful.

However, trouble rears its head again. Some kid, or kids, decided to carve up the seats in the shelter. And some others decided to break the lights.

Now, breaking up the seats in the shelter wouldn't be so bad, if most of the kids liked sitting on broken boards and probably catching and tearing their clothes on them. But we doubt if most of the kids do.

Breaking the lights is another thing. This is dangerous. If the broken glass freezes into the ice, and someone takes a spill and plows into the glass, he's going to get a real bad cut. And if this sort of thing doesn't stop, kids, you know what's going to happen. Somebody's going to decide it's too dangerous to maintain the skating pond, and it will be closed.

So if you've enjoyed the skating pond, we'd suggest you turn thumbs down on the kids who are trying to spoil it for the rest of you. And if you're one of the kids who did the damage, get smart—why spoil a good thing? After all, it could be you who'll get cut on the glass.

The release of the Surgeon General's report on the hazards of cigarette smoking has indeed had its effect on our nation. Some will quit, others will "cut-down," while still others will pay no heed at all. As has been our right from the beginning of this great democratic country, we shall decide for ourselves what our reaction will be. However, as usual, up pop the "do-gooders," whose idea seems to be that some sort of legislation is needed immediately to curb cigarette smoking. It has been, and incidentally still is, this writer's opinion that we come dangerously close to a "socialistic" approach when we deem it necessary to legislate morality in any form. Alcohol in its various forms has also proved to be detrimental to one's health under certain circumstances, but do you remember what Prohibition did to the liquor consumption of this country? So Mr. Legislator, I say to you Thank You for keeping me informed about what will do me harm, but please don't deprive me of my right to take the risk if I desire!

THE LATEST REPORT: Annie Mae says welcome to the Rainbow Cleaners, who will open in the Brogan building this week-end, and will be operated by Elaine and Gene Rockow. . . . Youth centers, supposed to provide a gathering-place for teenagers and lure them away from more lurid spots, have been tried in most towns and have languished and died for want of attendance of the youngsters they were supposed to lure.

It wasn't hard to understand why the kids lost their enthusiasm for such places, if you ever spent a few hours in one. They weren't open at the times the kids were looking for entertainment, because volunteer chaperones had to be present to have them open, and elderly chaperones (people over 30) are busy most of the time.

Also, there really wasn't anything to do. Nothing is more certain to dampen high spirits than to urge young people to congregate in a certain place at a certain time and have a good time.

The Danes have found the answer to providing a gathering-place for youth with, of all things, milk bars!

They're commercial projects, which makes it all to the good. Restaurants, etc., just don't want to be bothered with groups of young

Your Governor Reports

A new judicial system has been created in Illinois, featuring a modern and integrated court network that enhances the quick and efficient administration of justice in our state.

The sweeping change took effect Jan. 1 as the result of an amendment to the Illinois Constitution which was adopted by the voters back in 1962. Illinois now has only three basic courts—circuit, appellate and supreme.

The one with which most of our state's citizens will deal directly is the Circuit Court, which is the only trial court under the new system. The Circuit Court replaces many familiar courts that no longer exist, such as those formerly administered by justices of the peace, police magistrates, municipal judges, probate judges and county judges.

For administrative purposes, the Circuit Court has been divided into 21 circuits with a chief judge in charge of each one. Each circuit is composed of judges, associate judges and magistrates. The kind of case in which a citizen is involved determines

which type of jurist has jurisdiction.

If a litigant wants to appeal an unfavorable Circuit Court decision he can petition the Appellate Court, which for the first time consists of permanent full-time judges. The Appellate Court is divided into five districts with seats at Chicago, Elgin, Ottawa, Springfield and Mount Vernon.

Appeals from the Appellate Court may be made to the Illinois Supreme Court. There are still seven Supreme Court justices, but there will be an eventual shift in their districts to take care of shifts in population.

The Supreme Court also is responsible for supervision of the rest of the new court system, and can handle by rule many matters which previously required formal action by the legislature.

Many of our courts, for instance, were jammed with huge backlogs of cases. Under the flexible new organization, the Supreme Court can assign trial judges from other circuits to help ease those loads, meaning a more efficient and effective use of our judge manpower.

Republican primary politicking moved into the spotlight the past few days with formal announcement of their candidacies by a trio of county office aspirants.

First to make his announcement was Deputy Sheriff Orville (Pat) Clavey, who takes on the formidable task of trying to unseat incumbent County Coroner Robert H. Babcox.

County Auditor John Darow, completing his first term, has announced his intention of seeking re-election and at the same time Harold Tennyson, former Waukegan precinct committeeman and a member of County Treasurer Karl Banning's staff, is showing signs of being a candidate for the auditor's post.

Babcox, who has been mentioned as a possible candidate for a higher office, held a press conference at his home Sunday to announce that he would seek a fourth term. Babcox, at 36, is in the unique position of being the youngest office holder in the courthouse, but is the "dean" of county officials who are up for re-election this year.

Gov. Otto Kerner came to Lake County last week to launch his bid for re-election in hopes of repeating his feat of topping the Republican nominee in this GOP stronghold.

Gov. Kerner out-poled former Gov. William G. Stratton in the latter's home town county to set the stage for a near-sweep by the Democratic state ticket in 1960.

The capacity turnout for the Chief Executive drew numerous top republican officials and many GOP leaders and the non-partisan flavor was carried on even more when Atty. Charles Wilson III, on behalf of the Lake County Democratic Central Committee, presented him with a handsome gift.

The gift was a ceramic profile of Abraham Lincoln mounted on Italian marble. The plaque as created by Craft-Amics Corp. of Waukegan.

A Farmers Tomatoes

We've always felt that misleading advertising, or gimmick advertising with a "come on" flavor designed to create a temporary increase in showroom traffic, sooner or later defeats itself.

This is because when a customer realizes he has been misled on a sale—even if he buys—he will later react unfavorably to the dealer's establishment. At the very least, he will influence his friends NOT to buy there. The dealer will have made a sale today at the cost of many more tomorrow.

Every business man knows that the most effective, least expensive and most enduring advertising in any business—and the car business is no exception—is one customer's recommendation to another. It can't be bought except by honest dealings and sincerely living up to advertising claims of quality and service AFTER the sale.

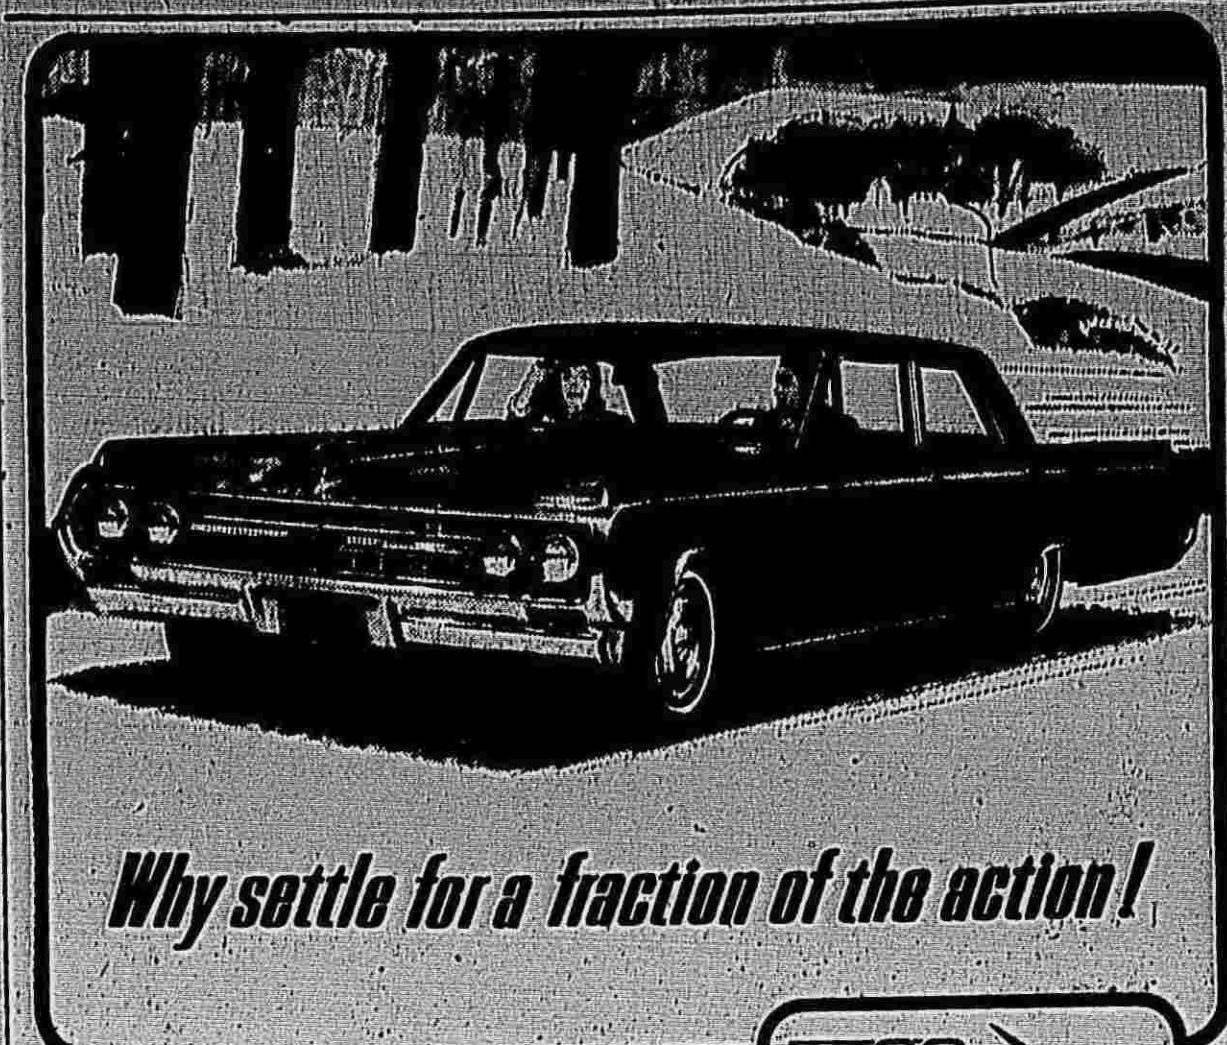

There is the true story of a farmer who wanted to grow better tomatoes. He sent away for a book on the subject after reading a glowing magazine ad that promised everything the advertising writer's imagination could think of.

When the crop was harvested, it was no bigger than usual, but the size of the farmer's disappointment made up for it. Puzzled, he re-read the book and checked on the instructions which he had followed to the letter. He still couldn't figure it out until he re-read the advertisement. Then he found the answer.

In a one-sentence letter to the publishers, he explained the whole thing: "The fellow that writ the ad," he said, "should of writ the book."

Nuptial Mass Unites Joann Kerpan and Richard Dittmer

Miss Joann Patricia Kerpan, 1716 S. Jackson St., North Chicago, and Richard E. Dittmer of Antioch were married in late December at a nuptial Mass at 10 a.m. at Holy Family Church in North Chicago. The Rev. Bernard Kleina of Immaculate Conception parish in Elmhurst, a cousin of the bridegroom, officiated at the wedding.

The bride, the granddaughter of Mr. and Mrs. Paul Kerpan, Sr., Grove Ave., Waukegan, was given in marriage by her grandfather, Miss Carol Ann Kerpan, Los Angeles, Calif., sister of the bride, was maid of honor. Miss Jeanette M. Cartier was bridesmaid. The bride's god-child, Jean Marie Wolf, and Margie Kempf of Petite Lake, were flower girls.

The bridegroom is the son of Mr. and Mrs. Fred Dittmer, Sr., of Antioch. Charles V. Swanson of Salt Lake City, Utah, served as his best man. John H. Connolly of Gurnee and Norman Heyne, Jr., of Antioch, served as ushers.

The bride wore an ivory peau de soie gown with an empire waistline and an A-line skirt. The front and sides of the skirt were trimmed with French lace oval panels with seed pearls. An ivory colored peau de sole pill box hat held a French illusion bouffant veil. Her flowers were a cascade bouquet of white roses and holly.

The bride's attendants wore emerald green floor-length velvet dresses accented by two self-roses at the back waistline. The flower girls were dressed in holly-berry red dresses in the same style. All carried cascades of white carnations and wore coronets of holly.

A reception for 500 guests at the J-M Club in Waukegan followed the wedding. Mr. and Mrs. Dittmer left for a honeymoon in the Southern states. They will be at home after January 13.

Mr. Dittmer is a graduate of Northwestern University, Evanston.

Out-of-town guests included relatives from Alberta, Canada; Wichita, Ohio; Colorado Springs, Colo.; and friends from Hawthorne, N.Y., Silver Springs, Md., and Clarkston, Mich.

Wed On Christmas Day In Antioch

A wedding on Christmas Day united Diane J. Lewis of Antioch and Peter Reitz of Trevor, Wis., in marriage.

The bride is the daughter of Mr. and Mrs. Floyd Lewis, 818 Corona Ave. in Antioch. The groom is the son of Mrs. Henry Nupnau of Hamburg, Germany.

The Rev. M. E. Otterstatter officiated at the 3 p.m. wedding held at the Faith Evangelical Lutheran Church in Antioch. The bride was given away by her father.

The bride wore a full-length gown of Chantilly lace over taffeta. The bodice was trimmed with pearls and sequins. A crown of seed pearls held the finger-tip veil. The bride carried a bouquet of white roses, carnations and lilies of the valley.

Matron of honor was Mrs. Joyce Fader, the bride's sister. Another sister, Mrs. Darlene Willett, served as bridesmaid. Both wore orchid dresses with white shoes and gloves and carried orchid-tipped carnations.

Best man was Leo Lewis, and William Lewis, both brothers of the bride, served as ushers.

A reception was held at the home of the bride's parents, followed by a short honeymoon in Wisconsin. The young couple are planning a belated honeymoon in Germany after the groom's discharge from the army.

The bride is a graduate of Central High School, and is employed at the Antioch Savings & Loan Association. The groom is a private in the U. S. Army, stationed at Fort Bragg, North Carolina.

Dear Antioch Friends:
My parents, Margaret and Charley Hostetter, have asked me to write the Antioch News and to their many friends from whom they received cards and written greetings upon their 50th year of marriage on Dec. 8th, 1963. They received 65 cards. Mom and Dad acknowledge these expressions of their love toward them, with sincere grateful hearts.

Dad has been in the hospital the past two weeks. We have moved Mother from Azusa to Alhambra, where she now lives in a cozy, pink, California bungalow close to Charles (her son) and his family.

Courthouse Notebook

(Continued from preceding page)
the at-large election now being encountered by the legislators were anticipated in the election mechanics bill introduced near the end of the last session by House Majority Leader W. J. Murphy, of Antioch, but after passing the House the bill was killed in the Senate.

There is much editorial trumpeting and letter-to-the-editor writing urging the legislature to "rise above politics, shun partisan advantage-seeking, and do what is best for the people," but details for achieving this happy state of affairs are, unfortunately, missing.

In retrospect the re-apportionment passed by the legislature and vetoed by Gov. Kerner is looking better and better when placed alongside the confusion of the at-large election.

The County Board of Supervisors is finding citizen advisory groups a mild pain to get along with and an even bigger pain when an effort is made to eliminate the advisors.

Birthday Observance

Twenty relatives gave a party for Clara Richter of Venetian Village in observance of her birthday. Relatives were from Lake Villa and Chicago. She was also honored at a party given recently by the club of which she is a member. She received gifts of jewelry and a jewelry box as well as many more beautiful gifts.

Pinocchio Club Entertained

Mrs. Clara Richter entertained the Pinocchio club at her home last Wednesday. A luncheon was served by the hostess.

Royal Neighbors

The Royal Neighbor Officers club met last Wednesday at the home of Mrs. Clarence Blumenschein. A desert luncheon was served. Co-hostess was Mrs. Golden of Deep Lake. Election of officers was held for the coming year. Those elected were: Mrs. Fred Bartlett, Sr., president; Mrs. Herman Reimer, vice president; Mrs. Jacob Fish, treasurer; and Mrs. Paul Avery, Sr., secretary. This

Commissioners (supervisors on horseback) outlined its usefulness by disagreeing with the commissioners and was eliminated.

Now the Lake County Safety Commission, a creation of the board, is showing distressing signs of independence and may shortly follow its executive director, Eugene Landen, into retirement.

AVERAGE DAILY DEATH RATE

During the first two weeks of March, 1963, newspapers throughout the nation were carrying front page stories of the annual spring floods. The headline reported "Flood Death Total Reaches 17."

The papers might also have noted that the recently announced motor vehicle death toll for 1962 averaged 114 for every day in the year. More than 4,000 persons died as a result of auto accident injuries in 1962. This is a new, all-time record to which no one will point with pride. However these fatalities didn't warrant any headlines as they occurred, except perhaps in a local newspaper when a well-known citizen was killed.

"I see in the paper that 4 people have been killed by tornadoes this month. Isn't that a frightful thing?"

Why is it that we are appalled by a single instance of violent death if it results from flood or storm; while we take scant notice of the thousands who are killed on the highways? Why does the value of human life appear to be so much greater in one case than in the other? Is it because highway injuries occur with such monotonous regularity that we have accepted them as a matter of course?

For the relatives and friends of the 41,000 victims in 1962, death on the highway was a real and terrible thing. Some way must be found to awaken the consciousness of our 90 million drivers if we are to prevent an even greater toll in 1963.

Yeah, I Always Thought So

Today's mothers must think that matrimony is life's best bargain, or they wouldn't contrive to get their daughters married so young.

What makes a husband disconsolate is his wife's indifference when he proudly announces that he is now a vice president at the same old pay.

ALL ABOUT BABIES

A Public Service of the National Baby Care Council
DIAPER RASH

By Kenneth S. Shepard, M.D.
Pediatrician, St. Francis Hospital, Evanston, Ill.

Babies are born into a world that is friendly, but sometimes hostile. They have enemies, and their parents have to protect them until they can protect themselves.

One of a baby's chief enemies is diaper rash, which is very uncomfortable. It is caused by moisture, heat, injury to the skin or a chemical irritation. Moisture is present because of urine, stool or excessive sweating.

It may be that a child generates too much heat, but in many cases, excessive heat may be caused by an impervious diaper covering, such as rubber, plastics, or treated silk.

Injury to the skin, otherwise known as Trauma is the result of rubbing by a wet diaper, sometimes pinned too tightly.

Another of the baby's subsidiary enemies is chemical irritation due mostly to ammonia produced by urea-splitting bacteria acting on the urine. In some cases, highly acid stools may be a factor.

But baby has his allies in these preliminary battles with life. The principal ally is his mother.

Moisture and heat are de-

creased by changing the diaper more frequently, and by stopping use of water-repellent diaper covering. Injury to the skin can be halted by pinning the diaper less tightly, and by leaving the diapered area exposed to the air for varying periods of time.

Chemical irritation is decreased by washing the diapered area with soap and water after diapers are changed. While laundering a bland soap should be used, and the diapers should be well rinsed or boiled. The use of a rinse such as borax is sometimes thought to be of value in neutralizing the ammonia produced by urea-splitting bacteria.

EDITOR'S NOTE: The Medical Committee of the National Baby Care Council recommends that home laundering of diapers include three pre-rinses, four separate sudsings, six hot water rinses to remove all soap, boiling for 30 minutes to sterilize the diapers, a vinegar-water rinse to reduce alkaline content and treatment with special diaper antiseptic.

If a mother uses a professional diaper service, she is assured the baby's diapers are processed scientifically, with strict laboratory control.

The use of powders and ointments is of limited value in preventing and treating diaper rash. However, inflamed (erythematous) rashes can be treated with cornstarch or a mild powder to absorb some moisture.

Very dry diaper rashes can

be treated with a mild lubricant such as petroleum jelly. Powders and ointments should not be used on "weeping" nor infected rashes. Soap and water to keep the area clean, and then expose to the air. The use of mild, dry heat is of value.

Infected diaper rashes should be treated with non-sensitizing antibiotic ointments prescribed by a physician.

You have to see dangers to avoid them, warns the Chicago Motor Club. That's why all-around visibility is essential to safe driving. Make certain your windshield wipers and defroster are in perfect condition. And always clear snow and ice from the front, rear, and side windows of your car before venturing out into traffic.

Social Notes

By Del Jahneke

Mrs. Samuel Ries, Antioch, has just returned from a two week trip and tour of California. Both during the trip and tour, she discovered how true the old adage of a "small world" is, when she, several times, accidentally encountered Mr. and Mrs. Albert Dittman, Dr. and Mrs. James Kopriva, and daughter, Phyllis, and Mr. and Mrs. E. J. Drijie, Lake Marie, Mrs. Ries stayed at the Hotel Roosevelt in Los Angeles, saw the exciting Rose Bowl Parade, and football game. On New Year's Eve, she attended a dinner dance at the Palladium, where Lawrence Welk performs. Mrs. Ries saw Gordon and Sheila McCrae at the Coconut Grove on January 1. She also visited Disneyland, Farmer's Market, Knott's Berry Farm, and saw many of the movie stars' homes. MOOSE TOPICS

Four new members were initiated into the Antioch Moose Lodge last Sunday morning, following a breakfast of ham and eggs prepared by Lester Palmer's kitchen crew.

The new members are Donald Olson, Charles Holmes, Michael Hoff and Edwin Zeer. A large crowd was on hand to see the international ritual champions of Woodstock Moose Lodge perform the ceremonial. The guest speaker was Pilgrim (Frenchie) Dionne of Waukegan Moose Lodge.

The next Third District meeting will be held at the Fox Lake Moose Home, Lodge No. 1881 on Jan. 18, Saturday evening at 8 p.m. Ladies are invited.

There will be an Antioch Legion of Moose meeting and get-together on Sunday, Jan. 19, at 4:30 p.m. with pot luck and entertainment. Place: Antioch Moose Home.

The next regular lodge meeting will be on Wednesday, Jan. 22, at 8 o'clock.

ANTIOCH AMERICAN LEGION AUXILIARY

By Del Jahneke

At the January 10th meeting of the Antioch American Legion Auxiliary, several important programs were discussed. Legislative chairman Mrs. Lester Zitkus gave a report on many of the vital bills pending in Congress.

Mrs. Warren Edwards, Veterans' Craft chairman, announced that the Unit had sold \$47.74 of jewelry, leather hand-tooled pocketbooks, belts, billfolds, handmade braided rugs, etc., made by disabled veterans. All money collected on veteran made products goes directly to the handicapped veteran.

Mrs. Alex Hoffman, National Security Chairman, announced that the 10th District is sponsoring the refreshments and volunteers for the Servicemen's Center in Waukegan on February 9th—Antioch Unit will donate money and food for this event. This meeting was presided over by Mrs. Lucy Himens, president.

The Rehabilitation Chairman, Mrs. John W. Horan, Jr., Mrs. Joseph Horton, Mrs. Earl Horton, and Mrs. Lila Palenski attended a birthday party at Downey Hospital, on Monday, Jan. 13, with the Antioch American Legion Auxiliary Unit furnishing the refreshments.

Mr. and Mrs. Alex Hoffmann, Grass Lake, gave a dinner party at their home, on Jan. 7, in honor of Mr. Hoffmann's birthday. Mr. and Mrs. Carl Carlson, Bluff Lake, Mr. and Mrs. Adolph Lillegren, and Mr. and Mrs. Arthur Kyle, and Mr. and Mrs. Claus Carlson of Glenview were guests at this party.

Mr. Warren Edwards, Indian Point, suffered a severe stroke, and is in Downey Hospital. For those who would like to send him get-well cards, his address is Downey Hospital, Building 133, Room A458—4th Floor, Downey, Illinois.

Mr. Robert Lasco, Beach Grove, drove Mr. Adrian Vanderkloot and Miss E. Johnson, Lake Marie, to Venice, Fla. He then returned to Antioch by jet plane.

Mr. and Mrs. William Hansen, Beach Grove, have a new grand-daughter, Robin, born on January 12, to Mr. and Mrs. Robert Tetty (the former Carol Hansen) of Normal, Ill. Mr. and Mrs. Hansen drove to Normal in that blinding snow-storm to bring their grandson, Jeffery Terry, back to Antioch. They said that there were many cars stalled along the highway.

Summer Arts Camp Benefit On Feb. 14

On Friday, February 14, the Frank G. Hough Vocalists of Libertyville will present a benefit musical at 8 p.m. at the Antioch High School auditorium. Entitled "Interlude" the musical is under the sponsorship of the High School Music Association and the proceeds will go to help support the High School Summer Arts Camp. On Feb. 14 the Vocalists under the direction of Arthur Quinn of Chicago will feature such songs as More from the movie "Mondo Cane," Green Dolphin Street, In Other Words, September Song, The Best Is Yet to Come, plus many other well known favorites. Accompaniment for the Vocalists is furnished by the Art Quinn Instrumental Quintet made up of musicians who have played in name bands across the country. All in all a real fine evening is in store for those who attend this fine musical and the proceeds go for a worthy cause. A donation of \$1.00 for adults and 50 cents for students is being asked.

Millburn News

By Mrs. Frank Edwards
The annual meeting of Millburn Church was held at the church on Monday evening, with 37 present. The new deacon to be put in was Garrett Trout, new trustee, Frank DeYoung; deaconesses, Mrs. Emmet King and Mrs. Russell Doolittle; delegates, Mrs. Ray Jensen and Mrs. William Paulsen, and alternate delegates, Mrs. Clayton Engh and Mrs. James Foster. Re-elected for clerk, Mrs. Carl Anderson, and treasurer, Miss Ruth Minto. The Devotional study Group met at the home of Mrs. Garrett Trout Thursday with 13 members present. The next meeting will be held on Thursday, Jan. 23 at the home of Mrs. Lyman Thain. Twenty ladies met at the church last Wednesday to tear and sew rags for the woven rugs. A business meeting and installation of officers was held after refreshments. The next sewing day will be Thursday, Jan. 30, at the church at 9:30 a.m. Bring your own sandwich. Coffee will be furnished. Mrs. Harley Clark and Glen spent Sunday evening at the home of Mr. and Mrs. James Bonner and at the home of Mr. and Mrs. Earl Turnpugh of Kansasville, Wis. Mr. and Mrs. John Edwards and daughters, Susan and Lynn of Libertyville were callers at the home of Mrs. Frank Edwards Sunday afternoon. Mr. and Mrs. Arthur Hauser and family of Kenosha were supper guests at the Frank Hauser home Saturday evening. The Millburn Social Club will meet at the church Tuesday evening, Jan. 21, at 7 p.m. An organization meeting of the 4-H club will be held at the Millburn School Monday evening, Jan. 30, at 7:30. Rev. L. H. Messersmith conducted the evening service at the Zion Christian Catholic Church in Zion on Sunday evening. Eight members of the Pilgrim Fellowship of Millburn were in attendance. Mrs. Richard Dusault, Mrs. William Paulsen and Mrs. Charles Lucas attended a meeting of the Women's Fellowship on Friday at the Avalon Park Community Church.

An important part of winter driving, says the Chicago Motor Club, is to learn to recognize road signs by their shape. Signs sometime become covered in a blizzard or passing traffic may splatter them with mud and blot out the letters. Eight-sided signs always mean a full stop; diamond shaped signs indicate danger; and circular signs denote railroad crossings.

Inside Antioch High

Last weekend was an exciting, but unhappy, one for Sequoit basketball fans. Varsity cagers dropped two games by a total of seven points, and the Sophomore team received its first conference defeat of the season at the hands of the invading Lake Forest Scouts.

Despite a high point fourth quarter rally the varsity lost to the Round Lake Panthers Friday night at Antioch. Bernie Smith with 8 points was high scorer for the Sequoits.

Saturday night Lake Forest squeezed by Antioch 48-44. Checked by the Scouts' defense, Sequoit cagers were able to make only 11 baskets points to the losing cause.

all night. Contributing 13 points to the losing cause, Bernie Smith was again high scorer for Antioch.

Sports action this weekend includes basketball Friday night with Wauconda at Antioch, wrestling at Wauconda Saturday afternoon and basketball Saturday night at Grayslake.

As the first semester draws to a close, students are working frantically to complete long-term projects. Semester tests will be given next Thursday and Friday.

Poor Shooting Plagues Sequoits In Two Losses

By Howard Shepard

But for the lack of seven points, the Antioch Sequoits would be perched in a tie for first place in the Northwest Suburban Conference basketball race this week, instead of the lowly 6th place they now find themselves in.

The Sequoits lost two heartbreakers over the weekend, dropping a close one to Round Lake 60 to 57 Friday night, and then taking a 48 to 44 knock from Lake Forest on Saturday evening.

Poor shooting was the main reason for the losses as the Antioch quint managed only 27 of 90 attempts against Round Lake and could sink only 11 of 43 shots against Lake Forest. "No matter who you are playing, when you are shooting that bad you're not going to win any games," Coach Roger Andrews said.

"Our game is basically sound," Andrews added, "and we are playing good defense but we just can't hit." Proof of this is the fact that in spite of hitting only 25 to 30% from the field, the Sequoits have been in every game. They have lost only one game by more than four points, that to McHenry, the season's opener. In eight of their 13 games the Sequoit defense has held their opponents to 50 points or less.

Henning a Bright Spot

In Friday's action against Round Lake the Sequoits were in trouble from the start, trailing 21 to 15 at the first quarter mark they were out-pointed in the first three periods.

Behind by as much as 14 points early in the final stanza the Sequoits finally came alive and began closing the gap. Antioch had pulled to within two points at 56 to 54 with only two minutes left

when Bob Miller got two baskets and a free throw by Denny Price put the game out of reach for the Sequoits.

Wally Henning, a Junior who hasn't seen much action thus far this season, gave the Sequoits the spark they needed to make it a close contest. Henning did an outstanding job defensively with his hustle and ball hawking. Henning also collected 16 points to tie with Bernie Smith as scoring leaders for the Sequoits.

Only 18 violations were called in the game, with Round Lake taking the edge from the charity line. The Panthers cashed eight free throws to three for Antioch. The Sequoits had a 27 to 26 edge from the field and also controlled the back boards, getting 48 rebounds to 39 for the Panthers.

Poor Shooting Again!

It was a little bit of the same story Saturday night as the Sequoits failed to find the range and hit only 11 of 43 shots for less than 25% from the field.

Antioch managed to stay close throughout the game by virtue of 22 free throws. Antioch led at the half 26 to 23 and things looked pretty rosy early in the third quarter with Barth and Prescott both

in foul trouble with four personals each.

The Scouts began rebounding in that final period and mid-way through the quarter Ron Verbeke and Geraghty gave Lake Forest a five point

lead on two tips. Vic Rogers countered for Antioch with a pair of jump shots to pull the Sequoits to within one point, but that's as close as they could get as the

1,800 Anglers At NICC Ice Derby

A forty-mile an hour gale sweeping down Channel Lake last Sunday may have cut down attendance at the Northern Illinois Ice Derby, but the ice was black with fishermen from early morning till the 4 p.m. closing of the third annual Ice Fishing derby.

Though falling short of the expected 3,000 attendance, an attendance of 1,800 hardy anglers was recorded by the end of the day.

Bruce Muench, fisheries biologist, served as judge of entries and Lloyd Leable, game warden, served as recorder of entries. Oddest fish honors were shared by Philip Inola, Chicago; Nancy Jeffers, Chicago, and K. L. Block, Spring Grove. Honors for smallest fish of the day went to John Dingrando, Chicago, with a 4.5 inch perch weighing .03 lb. Largest fish of the day was hooked by T. Malinowski, Chicago, a 9.9 inch crappie weighing .56 lb.

Here is the complete list of winners in the derby:

Largest fish of the day—crappie, 9.9—56 lb. T. Malinowski, Chicago.

Smallest fish of the day, perch, 4.5" — .03 lb. John Dingrando, Chicago.

Soph Squad Swamps Round Lake, 63-30

The Antioch Soph squad had little trouble in beating the Round Lake preps as they came out with a 63 to 30 triumph. Mike Sterbenz was the big man in the scoring column with 25 points. He was followed by Mike Kelly and Tyrone Walls with 14 and 12 points respectively.

Antioch jumped out to a 13 to 8 first quarter lead and were never in trouble after that. The Sequoits out-pointed their opponents in every quarter and held the Panthers to two points in the final stanza.

Lake; George Kletekey, Berwyn; Otto Frisk, Chicago; Roger Boyd, Lake Villa; Elton R. Mattson, Round Lake Park; Joe Rush, Antioch; John Dingrando, Chicago; K. L. Antioch's grapplers came through with their second win of the season Saturday night after a 29 to 16 loss, to Mundelein Friday night. The Sequoit strong men took Round Lake 31 to 17 on the strength of five pins. Antioch's record is now two wins, seven losses and one tie.

Pins by Dave Endean (95), Ray Sheppard (112), Jim Sheppard (120), John Sheppard (127), and Lon Ipsen (hwt), led the way for the Sequoits. John Sebesta (154) and Ray Petersen (180) accounted for the other Antioch wins, taking their respective matches on points.

At Mundelein wins by John Sheppard, Ralph Gaston, John Sebesta and Ray Petersen on points, plus a pin by Lon Ipsen accounted for the Sequoit point total of 16.

Lon Ipsen leads the Sequoits in the individual standings with a record of 12 wins and no defeats. Ray Petersen follows with a record of eight and four, but Petersen is 5 and 0 in the conference matches.

The Sequoits have won 2 conference matches with two defeats and one tie.

CHEVY-VAN!

Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van—our new economy delivery truck.

It has a low price tag, over 40 sq. ft. of completely usable flat floor 7 1/2 ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside

and out. Certain sections are treated with high-zinc-content primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical.

If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

Falcons Lead Conference

By John Hansen

The Salom Central Falcons had a slow time starting but had things their own way the rest of the way as they ran up win no. 8 with a 63-54 triumph over Union Grove.

Bob Hofer dominated the game in both scoring and rebounding. He led all scorers with 26 points, a personal high for the Falcon captain, and had complete control of the boards as he snagged 15 rebounds. Joe Flaschner and Glen Muhlenbeck each contributed 11 points.

Swantz paced Grove with 20 points. The win gives Coach 'Dorm' Grams' eagles an 8-1 record and a 3-0 South-eastern Badger Conference slate good for first place. Grove had been tied for first with the Falcons going into this game.

The Falcons didn't find their shooting eyes until the middle of the second quarter but Bob Hofer kept the Falcons ahead by scoring 12 of the first 20 points for Salem. With 5:50 left in the first half Grove trailed by only 4 (17-13).

Salem increased its lead to 23-13 on a free throw by Ron Weil, a basket by Hofer and a three-point play by Glen Muhlenbeck. Later in the quarter Union Grove was slapped with a technical foul. Bob Hofer made the free-throw and he scored a basket after Salem was given control on the technical. Hofer's basket gave Salem a 14 point lead, after that the Falcons toyed with the Brones.

Salem led 32-20 at the half. Four points each by Hofer and Flaschner in the opening minutes of the second half gave Salem a 14 point lead, 40-26. The Grovers rallied somewhat as they pulled within 10 as the quarter ended. Salem gained its biggest lead of the night when, with 4:26 left in the game, the Falcons led 56-41. Union Grove then outscored the Falcon reserves 8-1 and with two minutes left Salem led by only 8 (57-49).

Grams quickly inserted Hofer and Flaschner to straighten things out. Hofer responded with a basket to give Salem a 10 point advantage with 1:26 left. Four free-throws by Glen Muhlenbeck in the final seconds killed any hopes Grove had of an upset.

Coach Roger Terry's "B" team won its 7th game of the year by thumping the Brones 52-36.

Bob Kubicki On College Cage Squad

Bob Kubicki, a 1963 graduate of Antioch High School and a star basketball player of the 62-63 season, is now a member of the basketball squad at Southern Illinois University.

Bob tried out for the team after entering the University in January, at mid-term. The coach, in a phone call to Roger Andrews, Antioch basketball coach, said he was impressed by Bob's shooting ability. Because he joins the team at mid-term, the coach said, Bob won't be able to take part in the games until he has had a chance to practice with the team and learn plays.

Clarence Smith, former Zion player, is also on the Southern Illinois team.

Scouts held on to eke out the triumph.

Bernie Smith led the Sequoits in the scoring column with 11 free throws and one basket for 13 points. Rogers was the only other Sequoit in double figures with 11 points. Ron Verbeke of Lake Forest collected 13 points to tie Smith for game honors.

Antioch held a 43 to 27 edge in the rebounding department with Vic Rogers doing the heavy work.

The Sequoits have another tough weekend coming up as they face Wauconda at home Friday night and journey to Grayslake for a conference tilt against the Rams.

Income Tax Due In April

The 1964 Federal Income Tax filing period has begun. Every citizen or resident of the United States—whether an adult or minor—who had \$400 or more gross income in 1963 is required to file a return. For taxpayers 65 or over, no return is required unless gross income was at least \$1,200. E. C. Coyle, Jr., Director of Internal Revenue Service for this district, announced.

Returns should be filed as soon after January 1st as possible, but no later than April 15, 1964. Taxpayers of the 26 counties of northern Illinois should file their returns with the District Director of Internal Revenue, 22 West Madison Street, Chicago, Illinois 60602.

The Internal Revenue Service will offer assistance at the local office by telephone, and information programs through newspapers, government publications, radio, and television.

Beginning January 27, 1964, the 19 local offices of the Chicago District will offer aid by the self-help group plan, which provides for assistance to taxpayers assembled in groups of 6 to 8, with an Internal Revenue Agent instructor to guide them in the preparation of their returns.

Help will be offered on Mondays only, as this day is designated as "Taxpayer Assistance Day," when a full staff of employees will be available to provide assistance.

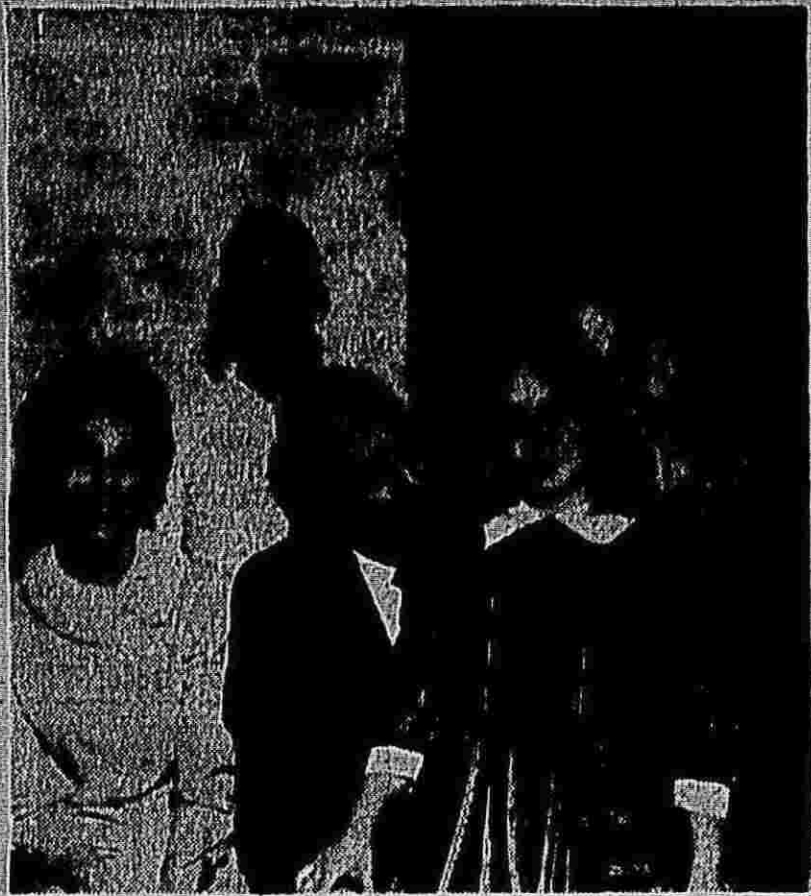

Please make note of the address and telephone number of the office most conveniently located for your purpose and make use of the facilities provided.

Make Your Own Games At Home

URBANA — Young teenagers entertaining the "gang" at home this winter may welcome some unusual games. "Dads can supply many of these games right from their home workshop," says F. L. Haegle, University of Illinois extension 4-H Club specialist.

In a new publication he describes how to plan, make and play about 30 games and puzzles made from wood. The games can be used as ice breakers, as entertainment at progressive game parties or as conversation pieces at informal gatherings. The puzzles and games will challenge the imagination, intelligence and ability of anyone who tries to solve them.

According to Haegle, "The game boards and puzzles may be made with the equipment and tools usually found at home. And Dad won't need an expert knowledge of wood-working to make them." Also, they do not require many different or expensive materials. Of course, good-quality materials will produce more attractive products. But cheaper materials will serve the basic purpose just as well.

The games and puzzles vary in complexity. Some of them are simple enough for a ten-year-old. Yet some of them will fascinate adults.

Most of them, however, are especially suited to the 12- to 16-year-old boy or girl. Some of them are for only one person to play at a time; others are for two or four persons. The games include Box Hockey, Runa, Nine Men's Morris and French Solitaire. The puzzles include Triangle, Shuttle, Nine-Block and Devil's Needle.

To obtain the new publication, "Home Made Fun — Games and puzzles made from wood," RRE 76, prepared by the Cooperative Extension Service, ask your county farm and home advisor for a copy. Or write to the Agricultural Economics Department, 305 Mumford Hall, University of Illinois, Urbana, Illinois.

West Millmore

By Rosemary Haliday

This year's first meeting of the West Millmore Civic Association will be held on Saturday, January 18, in the Village Hall at 8 p.m. All residents of the community are invited to attend and learn of the plans for West Millmore for 1964. Refreshments will be served after the meeting.

The members of the Lakeside Ladies Club met at the home of Mrs. Walter Von Stoesser last Thursday evening. It seemed like there was still the talk of having

a delightful holiday season but in between the girls did get around to playing some Password. Jo served coffee and cake before everyone said goodnight.

The West Millmore Women's Club will hold its monthly meeting on Tuesday, January 21, 8 p.m., at the Village Hall. Members of the Club are asked to bring any new residents or neighbors who might be interested in becoming part of the organization.

Help is being sought by two boys' organizations in our community, Boy Scout Troop No. 88 has been unable to acquire a permanent leader and thus the troop's

activities have had to be temporarily discontinued. Any interested father or adult wishing to help get this troop back on the active list should contact Robert Hamill, 386-5583.

The other growing need is for mothers to supervise the Boy's Club at its regular afternoon meetings. The same women have continuously helped out since the club was formed last fall, but additional help is now needed to continue with the many activities of the boys. If you have a spare afternoon, call Mrs. Ray Farpan, 386-3011. Pat will be glad to tell you more about the club and the work of the adult volunteers.

At the recent meeting of the Venetian Village Civic Association, a committee composed of trustees and collectors was formed to study new methods of stimulating membership. The association is inaugurating a new method of issuing auto stickers this year. When paying dues to the collector, the resident will receive the usual membership card, but the auto sticker may be picked up only at a regular meeting of the association. The sticker will be given at the meeting to those showing their 1964 membership card. At this time another sticker can be obtained by the paid member by showing proof of owner-

St. Mark's Lutheran Church
Rev. Allen V. Lee, wheel-chair evangelist of the American Church, was the guest preacher Sunday and every evening through Wednesday. Luther Leaguers had a supper meeting Sunday evening. The Rev. Lee was their guest speaker. Each evening at 5:30 p.m. he will have supper with the league members and have a discussion with them, during his stay here.

Winter Bible Camp

There will be a Winter Bible Camp at Lutherdale Jan. 24 through the 28th. The cost will be about \$8.00. Adult drivers will be needed to transport the group. They will leave on Friday afternoon to arrive there about 8:30 p.m. and come home Sunday afternoon.

First Baptist Church Of Lindenhurst

Church wide visitation on Thursdays, starting at 7:00 p.m. rather than at 7:30 p.m., as in the past. Those who are unable to visit on Thurs-

days, another day is permissible. **Baptist Men's Day** January 26 is Baptist Men's Day. This is the day when the laymen of the church will take charge of all services. To make this a big day, "Talk it up—Build it up."

Name Contest

The First Baptist Church is conducting a name contest for their Sunday Bulletin. Those submitting a name for this new paper must turn it in by January 25, as they will vote on the best name at the January 26 evening service.

Prince of Peace Church

Altar and Rosary Report
In order to increase their membership, the Altar and Rosary Sodality will give a stamp book to a paid up member at each meeting, if she is present when her name is called. They meet the first Wednesday of each month. Dues are \$1 a year.

In order to replenish the Sisters' pantry, there will be a "Pantry Shower" at the February meeting. Those who are unable to attend the meeting may leave their staples in a box at the church door, the Sunday before. Mrs. Marsha Rosal is chair-

man of the parish wide potluck supper scheduled for Feb. 9.

Women's Club Report

Pat Parpan, president; Mary-Jeanne Ploss, vice president; Joy Manuel, secretary; Peggy Karry, treasurer; Evelyn Lazansky, Erlene Pearce and Dorothy Verdict, executive board members; and Jenny Volpentesta, sergeant-at-arms, were installed by Betty Ireland, past president, at last Thursday's meeting of the Lindenhurst Women's Club.

Mrs. Parpan presented Mrs. Verdict, the outgoing president with a president's pin.

The three guests, Pearl Kockler, Barbara Hendrickson and Rose Rozhon, joined the club before they left.

Zenia Newmann volunteered to be chairman for the April Rummage Sale to be held all day April 24 and a half day April 25. Helping her will be Dorothy Verdict, Helen Guzik, Mary Zanek, Esther Sokup and Bernice Bernau. There will also be an October Rummage sale, but no chairman was named.

Mildred Call is chairman of the annual card party. On the committee are Marie Anderson, Millie Caldwell, Jeanette Piefer, Annabelle Leavy and Dorothy Thompson. No date was set.

Marie Anderson is chairman for the movies to be shown sometime in the future. Mary DiSilvestro is co-chairman.

Esther Sokup returned the Girl Scout Troop 289 flag to the Women's Club. Since the girls are Juniors now, the flag is obsolete. She said another one had been purchased for them. She asked the ladies to vote for the Junior College, that is so urgently needed in this area.

Pat Mauck volunteered to be program chairman; Pearl Kockler, membership chairman and Bernice Bernau, publicity, Babe Hartwig, bar. Evelyn Lazansky suggested fire extinguishers be purchased for the Civic Center since there are none in the building. The ladies present said the secretary should call Ray Shepler and ask him to see that they were installed as soon as possible.

The auditing committee, Mary DiSilvestro, Annabelle Leavy, Millie Caldwell and Marie Anderson reported the treasurer's books were in order.

A representative to the Countryside Hospital is needed. Any member who can attend a meeting once in a while is asked to call Mrs. Parpan.

It was announced that social evenings for the residents of the village would be held the last Saturday of every month, if the Civic Center isn't rented. Since there will be a dance there the 25th, the social will be held Jan. 18.

Hostesses were Jenny Volpentesta, Vicky Olzewski, Dolores Povilaitis and Bernice Bernau. All the board members brought fancy sandwiches. Punch, tea and coffee also were served.

New Baby

Mr. and Mrs. Jack E. Nelson, Jr., of 2006 Woodland Drive welcomed their child January 6 at Condeil Hospital. Master Dale Alden weighed in at 8 pounds, 8½ ounces.

The other children are Shelly 3 and Mark 20 months. Paternal grandmother is Mrs. Florency Landry of Waukegan. Maternal grandmoth-

The proceeds of the musical will go to help support the High School Summer Arts Camp.

ers are Mrs. Viola Duncan and Mrs. Naomi Lantz, both of Golden City, Mo.

Lantz is Mrs. Nelson's grandmother, and has been here since Christmas helping Donna with the children. She left last Sunday. John Landry, who lives with the Nelsons, is the children's uncle.

Canasta Club

Dorothy Verdict was hostess for her Canasta club last week.

Garden Club Report

The Lindenhurst Garden Club met at Martha Maxwell's home last Monday evening. Mary Stangel, program chairman, brought several books on soil, roses, etc., for the ladies to glance through.

The annual card party will be held April 6 at the Lindenhurst Civic Center with the theme "April Showers." Members will donate either a stamp book or a prize.

The February meeting will be at Mary Stangel's home. They will make valentine arrangements, using red and white flowers. Each lady will design her own arrangement and take it home with her. Guests will be welcome, but they should call Mrs. Stangel as early as possible so she will know how many flowers to purchase.

Birthday Greeting

This is a happy birthday wish for Jeffrey Kockler who will be celebrating his ninth birthday January 18. He asked his mother if his name would be in my birthday news, and she told him it wouldn't if she didn't tell me. Jeff's parents are taking him to Diamond's Saturday for dinner.

Hospital Patient

Gerald Hazel of Ridge Court was in Victory Memorial Hospital from Monday till Wednesday last week having x-rays and tests. He is feeling better and back to work. He first became sick in Iowa while on the road, and had to be hospitalized down there for two days. His wife, Roberta, had to go there and bring him home.

Night Out

The Ed Bernau family and Mrs. Schrotland enjoyed a turkey dinner Saturday at the Mike Pechous' home in Hainesville. After dinner

the Merle Holtdorffs came over and they all played Pokerno.

Grandmothers Club

Mrs. Anne Zaudier was hostess to the Grandmothers Club last Wednesday.

Cuts Head

Jeff Flint fell at school last

Monday and had to have a stitch to close the wound in his head.

Visit Grandchild

Bernice Barnau and her mother, Mrs. Ella Schrotland, visited Bernice's grandson, Richard, 3½ years old, last Friday. It was a be-

lated Christmas visit.

Winter Vacation

Jack and Dorothy Thompson, 2501 E. Bonner Lane, and their family drove to Florida during the Christmas holidays to visit Jack's mother, Mrs. John Robinson, in Venice. They visited St. Augustine, the oldest permanent white settlement in the United States.

Birthdays

Many happy returns to our neighbors who are having birthdays this month: Evelyn Lazansky, Connie Sue Nauer, Tom Alfieri, Steven Smith, Irene Sullivan, Lynn Pearce, Bryan Vrba, Phillip Rezin, Terri Paprzyca, Keith Rezin, Steven Lazansky, Chuckie Gordon, James Reed, Mrs.

It makes sense to "Package" your home insurance

Our Homeowners Policy allows you to combine your fire, theft and personal liability coverages into one broad, economical policy with these important advantages: substantial savings... packaged convenience... tailored protection. You can buy it on our easy Premium Payment Plan which allows you to spread the payments over a period of months. Call us for details.

JANUARY CAN BE FUN: OR, LET'S ALL GO TO THE BUICK SPORTS CAR RALLY.

REALLY.

You say you're just plain sick and tired of spending another dreary winter in that car you've got now? You say you'd like a very, very good buy? You're exactly the person we've been looking for. Let's get together soon, during our Buick Sports Car Rally—which is your chance to drive a sporty Skylark, Wildcat or Riviera. Have a sporting good time of it!

Rockow's Rainbow Cleaners

brings you world famous, nationally advertised

SANITONE DRY CLEANING

to

ANTIOCH

Costs no more than any good dry cleaning

... yet offers these greater advantages

1. Clothes come back full of life, with the original "body" of the fabric restored.
2. Clothes come back thoroughly clean... with every trace of soil, even stubborn spots, flushed away.
3. Clothes come back perfectly pressed, with original drape and fit preserved—a press that resists wrinkles.
4. It's the care recommended by leading clothing manufacturers.

Try our Sanitone Service... you can see and feel the difference!
